There are a lot of RCM companies that promise a lot of things.

We'll guarantee it.

## Introducing: Genesis10

Fact: You've heard from at least a handful of billing companies that they can save you money, or even find you new revenue. Less likely? That they've **guaranteed** that service promise in writing.

With the Genesis10 RCM Program, we guarantee at least a 10% increase in collections, or we'll cover your monthly invoice in full, until we reach the goal.\* In fact, many Genesis clients have recognized upwards of an 18% increase!

Proprietary analytic tools and reports help to identify areas for improvement and existing financial strengths to build on. Experienced, dedicated reimbursement and denial specialists manage each stage of the revenue cycle, speeding submissions, shortening turnaround times on payments, and chasing down receivables. All while freeing your staff to deliver the best experience for your patients.

With everything to gain, and nothing to lose, what would at least 10% more in collections mean for your practice?
