## Wellness Program

- Identify employees or members who need wellness support using an NCQA-certified health survey. Help people set and achieve health and lifestyle goals based on their personal needs.

## Employee Assistance Programs

- Reduce burnout, stress, conflicts, violence, and turnover. Support well being and life balance, while creating a respectful and productive organization.

## Managed Behavioral Health

- Manage complex cases that affect insurance premiums. Support physical and mental health, safety, attendance, and return-to-work during after episodes.

## Monitoring & Testing

- Hire and keep stable, qualified workers. Limit both human and financial risks by testing and monitoring impaired workers in safety-sensitive positions.

## **EXECUTIVE SUMMARY**

Voice Products, Inc. started in June 1990 and has been selling and servicing healthcare products in the Midwest ever since. Voice Products is the largest distributor of Speech Recognition, Dictation/Transcription systems in the Midwest and we have more installations than any other reseller. We specialize in voice and video, speech recognition, computer assisted coding, telemedicine, revenue cycle management and wound care programs.

Voice Products is a Sub S Corporation based in Kansas and we're one of five sister corporations, one of which is an insurance company.

We pride ourselves on our customer service and have more service personnel than any reseller in the Midwest. Our phone is answered by a human operator 24 hours a day, 7 days a week and 90% of the time you can talk directly to an engineer when you call.

Voice Products has the highest rating with Dun & Bradstreet and has been debt free for over a decade. We also have seen over 10% growth per year throughout the 29 years in business. Today with assets in the millions of dollars and more than 5,000 Customers, Voice Products is positioned to lead its industry.

Voice Products, Inc. has more than 60 employees, and currently holds a General Services Administration (GSA) contract, Texas Class B License, a DIR (Texas Department of Information Resources) contract, and an HGAC (Houston-Galveston Area) contract. We are an endorsed partner with the Texas Organization of Rural & Community Hospitals (TORCH), as well as a vendor for some of the largest hospitals in the United States.

Voice Products, Inc. was recognized with the Wichita Business Journal Best in Business Award for the last twelve years as one of the Top 15 Businesses in Kansas: 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018 and 2019, competing with several international companies. Just recently, we have been recognized by INC Magazine as a INC 5000 Fastest Growing Companies in the U.S., for the second year in a row.

Voice Products, Inc. believes in being involved in the community and supporting charities that benefit our community by contributing both personal time and monetary donations. The organizations that we have donated to or been involved with are Muscular Dystrophy Association, Cystic Fibrosis, Child Advocacy Center of Sedgwick County, American Heart Association, Wichita YMCA Strong Kids, Via Christi Foundation, Hurricane IKE Relief, Euless, Texas Police Dept. Charity, Greensburg Hospital, Wichita Children's Home, Rice Community Healthcare Foundation, Olathe Charity Classic, Presbyterian Health Foundation, Integris SW Foundation, Oklahoma Hospital Research, Missouri Police Chiefs Charity Foundation, Friends of McConnell AFB and Wounded Warriors Project. Voice Products is proud to be the sponsor of the Kansas Chiefs of Police Valor Golf Tournament.
