

**UPGRADE CARE IN YOUR JAIL OR PRISON
DURING COVID-19**

LET'S TALK

Telemedicine & Video Conferencing

Powered by Voice Products

Family visits

Court appearances

Attorney meetings

Doctor visits

**SECURE AND RELIABLE,
HIGHEST QUALITY,
EASIEST TO USE**

Our platform integrates with medical carts, equipment, and any device to:

- Save money and protect staff by limiting inmate travel
- Save time and limit exposure by allowing providers to treat more inmates without having to visit your jail or prison
- Ensure inmates get the medical and mental health help they need
- **Affordable, no contract - cancel anytime**
